In re Patent No. 6,345,233
Issue Date : February 5, 2002
Application No. 09/485,956
Filed: June 16, 2000
Attorney Docket No.

ON PETITION

This is a decision on the petition under 37 CFR 1.378(c), filed December 11, 2011, to accept the delayed payment of a maintenance fee for the above-identified patent.

The petition is **DISMISSED**.

A petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2). This petition lacks items (2) and (3) above.

With respect to items (2) and (3): The Office is unable to charge the maintenance fee and surcharge as indicated in the petition filed December 11, 2011. In this regard, the credit card payment has been declined and the transaction could not be processed. To satisfy the requirement of 37 CFR 1.378(c) the current seven and one half year maintenance fee and surcharge must be submitted. No consideration on the merits can be given until the required fees are remitted.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that the delay in paying the maintenance fee under 37 CFR 1.378(c) was intentional, petitioner must notify the Office.

There is no indication that the person signing the petition was ever given a power of attorney to prosecute the application. If the person signing the petition desires to receive future

correspondence regarding this application, the appropriate power of attorney document must be submitted.

Any petition for reconsideration of this decision must be accompanied by the **petition fee of \$400** as set forth in 37 CFR 1.17(f). The petition for reconsideration must include the lacking item(s) noted above, since, after a decision on the petition for reconsideration, no further reconsideration or review of the matter will be undertaken by the Director.

If reconsideration of this decision is desired, a petition for reconsideration under 37 CFR 1.378(e) must be filed within **TWO (2) MONTHS** from the mail date of this decision. No extension of this two-month time limit can be granted under 37 CFR 1.136(a) or (b). This is **not** a final agency action within the meaning of 5 U.S.C. § 704.
